Parent Edition

Volume 20 • FREE

Dear Parents,

I guess winter has finally arrived. The students were very excited to see the snowflakes falling this past week. Their only complaint was that it did not last long enough for them to get outside and play.

On Wednesday, February 1, 2023 Amsterdam Elementary School will be participating in the [Global Day of Play](#). The Global Day of Play is a worldwide celebration to emphasize the importance of play in a child's life. Global Day of Play is celebrated through an hour of pure play! No Chromebooks allowed! Students may bring in board games or cards to play with their friends. The goal of the day is for students to have fun and develop the valuable life skills that come through these moments of play.

Just a few reminders:

- The second marking period ends on Tuesday, January 31, 2023. Report cards will be viewable in the Genesis Parent Portal at 4:00 PM on Monday, February, 6, 2023.
- The light dusting of snow this week reminds us all that we are still in the middle of winter. Please review the parent pick up snow map, [PPU Snow Map](#).
 - Also note, in the event of an early dismissal due to weather, aftercare will be canceled and all students will be sent home either on their assigned bus or through parent pick up.

Have a wonderful weekend!

Sincerely,
Michele Fisher
