Parent Edition

Volume 22 • FREE

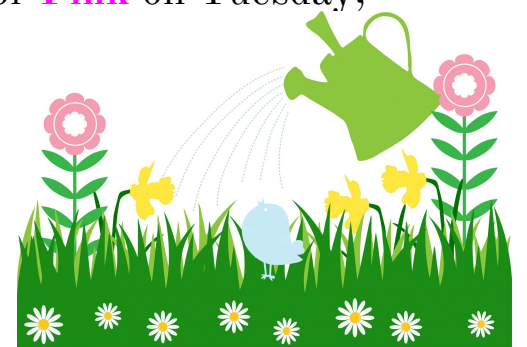

Dear Parents,

From freezing temperatures last Friday to positively gorgeous weather this Friday. Mother Nature is not following the rules and keeps playing with the thermostat making the temperatures go from one extreme to another!

Valentine's Day reminder: If your child would like to send their classmates a Valentine card, please remember there must be a Valentine for every student in the class (including the teacher would be nice, as well) and no food is allowed.

To get into the spirit of the season, please remember to wear **Red** or **Pink** on Tuesday, February 14, 2023.

Volunteers are still needed for the AMS Outdoor Beautification Committee which will help to support and sustain Gutches Garden. Please see the attached flier, [Outdoor Beautification Committee](#), for more information.

We will reach the 100th Day of School on Monday, February 13, 2023. However, we will continue to collect food as part of our 100th day of school celebration until Thursday, February, 23, 2023. Please see the attached flier, [100th Day Food Drive](#), with more details about AMS's annual 100th Day Food Drive.

Registration is open for Camp Invention. Please see the attached flier about [Camp Invention](#) which will run during the last week of July.

As we prepare for Read Across America week, [here](#) are the Read Across America themes for your reference. Read Across America kick-off is Tuesday, February 21, 2023.

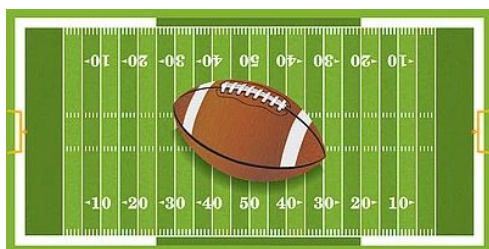

IMPORTANT REMINDERS:

- If you drop your child off after 7:50 AM, you **must** accompany your child into the building and sign them in at the main office.
- If you are sending money to school with your child to be added to their lunch account, please make sure that the cash or check is in a sealed envelope with your child's first and last name and student ID number. You can find your child's student ID number in the Parent Portal in Genesis.

Have a wonderful weekend! I need to be Switzerland, so Go Eagles! Go Chiefs!

Sincerely,
Michele Fisher
