Dear Parents,

I can not tell you how great it feels to be back at AMS! I missed all of the students and staff while I was gone. Although I am still working on gaining full mobility, seeing the smiling faces and the beautiful warm welcome of the decorated sidewalk and parking space was exactly what I needed! What a warm welcome back! Thank you!

We have had so many exciting events this past week at AMS. First, thank you to ASHA for the wonderful Teacher Appreciation week of events culminating in a delicious luncheon that everyone enjoyed!

Also on Friday we had a very successful and welcomed visit of four therapy dogs from Bright & Beautiful Therapy Dogs. The students and staff enjoyed spending time petting, hugging and enjoying time with our furry friends. There were smiles all around: staff, students and dogs!

Next week will be NJSLA testing at AMS for our third and fourth grade students. Please make sure your child gets plenty of sleep, eats a healthy breakfast and arrives at school on time. We will be starting testing after morning arrival and announcements, so it is important that students arrive on time.

We have now entered the “mad dash” to the end of the year. Our remaining weeks will become quite busy from here on out.

Here are some reminders about some upcoming events at AMS.

- **AMS Field Day – Thursday, May 25, 2023**
- **Author Visit – Monday, June 5, 2023**

Sharon Dennis Wyeth will be spending time with the students of AMS sharing her stories and her process for writing stories.

Enjoy this beautiful warm weather! To all the mothers in our AMS community, have a wonderful Mother’s Day and weekend!

Sincerely,
Michele Fisher
