Dear AMS Families,

June has arrived and has brought with it the heat! Thank goodness we had Field Day last week. Although we only had a 2 day week, our AMS students were able to see the power of giving and how students, staff and parents can make a huge difference for other children. The Locks of Love assembly was inspiring and moving. Seventeen AMS students, staff and parents, participated in donating their hair for Locks of Love. Through coin donations, AMS raised over $700 for Locks of Love as well. AMS certainly can make a difference in the lives of children!

To all of my April, May, June and July birthdays, I have not forgotten you! I will be having my "Spring" birthday lunches within the next 2 weeks! I am looking forward to chatting with my AMS students to hear all about their amazing year as we get ready to head into summer.

As a reminder, if your child is missing any items, please check our Lost & Found. As the end of the school year approaches, please ask your student to check the Lost & Found tables in the cafeteria. We have many jackets, water bottles, sweatshirts, etc. that would like to find their way home! All unclaimed items will be donated to charity at the end of the school year.
