Dear AMS Families,

I certainly did not expect that we would have to have to deal with wildfire smoke from Canada, but there is always a first! Usually in June we are dealing with heat waves that impact activities, not wildfire smoke. Mother Nature certainly has made the weather interesting this year. Alas, all good things have to come to an end, which means so does the 2022-2023 school year. What an amazing school year it has been!

For those students who ordered yearbooks, yearbooks will be delivered in time for students to get signatures during their end of year parties.

As a reminder, if your child is missing any items, please check our Lost & Found. As the end of the school year approaches, please ask your student to check the Lost & Found tables in the cafeteria. We have many jackets, water bottles, sweatshirts, etc. that would like to find their way home!

All unclaimed items will be donated to charity at the end of the school year.
