Parent Edition

Volume 3 • FREE

Dear AMS Families,

With student pictures and the cooling temperature, it is certainly starting to feel like fall. We have finally started to hit our stride at AMS. Walking the hallways and popping into classrooms, the students are on the rug reading books, working in small groups, playing math games and creating stories and poems. Hard work is happening all around at AMS.

If you signed up to be a class parent at one of the Back To School Night sessions and have not received an email with information, please reach out to [Kelly Gadol](#) or [Leeann Musolf](#) to update your contact information.

Finally, we celebrated the start of the school year with our first pep rally, where we talked about and celebrated good character and being kind and supportive of one another. A highlight of our rally was the first performance of our "AMS cheerleaders" who set the tone for our AMS rally and students. Here is a quick "snapshot" of the few remaining days of September and October with important events & dates at AMS.

Enjoy the first weekend of the fall!

Sincerely,
Michele Fisher
